My Field Guide The Great Garbage Patch

Name:

OCEANOGRAPHIC RESEARCH VESSEL ALAMITOS BAY

A.1 The Earth's Spheres

Directions: Use the graphic organizer to record notes on the four spheres. For each sphere, write: a definition, 2-3 examples of what is in the sphere, and a drawing to help you remember what the sphere is.

Atmosphere

Biosphere

Geosphere

Hydrosphere

A.1 Draw a Model Sphere Interaction

Directions: In the space below, draw a model of one interaction of earth's spheres. Make sure to include a title, a drawing of the interaction, and labels that tell how the different spheres are involved.
